At final questions results are:

1. *What were the most useful points of the meeting?*

- visits to medical facilities – international communication – most interesting, full of information structure, organization, hospitality – very important topics and successfully performed; very good organized; translating in all languages was excellent; getting everyone together and discussing about future plans for project

2. *How might the format of this meeting be improved in order to be the most appropriate for the content presented?*

- it was quite appropriate as it was; without any other proposals; less intensive program; everything was professionally performed; it was too much for 2 days, because everything was performed ok!; every partner should prepared a PPT presentation of it's country

3. *What did you most appreciate (best about the meeting)*

- the host organization planned everything considering the values of culture of partners; getting to know each other's, different school systems, working areas and approaches to a project's topics; our time together, school interactions; getting to know different countries, cultures and languages; experience of Zagreb Advent; agreeing with everyone about the project

4. *Do you have any suggestions for the improvement?*

- everything was excellent; congratulations; thanks; maybe at discussions all of the members are to be included

Coordinators think that conclusion after this analysis is that we performed our tasks more than in satisfactory way.
