Start Date: 23/09/2019

End Date: 24/09/2019

Receiving Organisation: Seniorenzentrum St. Marien, Dorsten

Receiving Country: Germany

Receiving City: Dorsten

III. TM, Dorsten, Germany, Sep 23rd-24th 2019.

Purpose and tasks of this meeting were to: Discuss/Analyze progressing results – MC report, ongoing activities and dissemination's results; Manual – publishing number, language and price, design, also language and design for the web version, it's presentation to students before LTTA, concrete instructions for including Manual in students preparations for LTTA,; contents for the website – teams duties for distributing data. Visit the Senior Center St. Marien , observing wound care dressing techniques/presentations/lectures..., visit Healthcaremuseum Kaiserswerth - an exhibition under Florence Nightingale's motto „Healthcare is art“ trying to answer the question How will the healthcare look in the future? Create photo/video material of German wound care dressing techniques during TM, present Cultural presentation and divide tasks for the next TM. Outcomes were: we agreed about topics of the agenda, divided duties for a next TM, arranged dates for sending data regarding MC. Practical outcomes: in Senior Center St. Marien new techniques of wound care were applied, highly rated; lectures were held from Mr. Leuermann presenting company Fedo's new dressing materials. Participants (vocational teachers from Croatia, Slovenia and Turkey with German Project team) expressed admiration for nurses that take care of patients with such wounds. From Croatia two vocational teachers participated – Nikolina Matić and Slavica Vučen, from Turkey Muhammet Cakmak, Adnan Yavuz, from Slovenia Lucija Matič, Martina Scrabec, Tatjana Hrovat Ahac and from Germany Annette Ortman and Elisabeth Book. The evaluation was made at the end of the meeting. Results will be included in MC report.
